SYLURO SYLURO S-WIDE

NEW

Matt Reed - Triathlete

- 5 **RP-D-CENTERED™**. RP Optics™ lenses provides maximum UV protection and optical clarity.
- 6 Optical-quality **Polycarbonate UV 400** Protection lenses.
- 7 Suspended lens technology to prevent fogging.

S-Wide

The S-WIDE is a specific lens configuration built for our latest full-featured, technical eyewear Syluro™. This new design has been engineered to offer a wide peripheral wrap on a smaller geometric package, perfect for narrow faces or for those seeking a 'classic' style that can be worn everyday.
